AOR04008	60 VEGI-CAPS	\$62.95

## Details

AOR's Advanced Allergy Relief provides a unique combination of probiotics, botanical extracts, vitamins, and nutrients shown to prevent and mitigate seasonal allergies. While other allergy formulations aim to quench symptoms without resetting underlying hypersensitivities, Advanced Allergy Relief aims not only to provide fast, clinically proven relief, but also works to address underlying immune dysfunctions that lead to allergies in the first place.

## Label Info

---

## Discussion

Advanced Allergy Relief is used in herbal medicine to help relieve seasonal allergy symptoms, maintain healthy skins and immune function as well as a nutritive tonic.

## **Guarantees**

AOR™ guarantees that all ingredients have been declared on the label. Contains no wheat, gluten, nuts, peanuts, sesame seeds, sulphites, mustard, soy, eggs, fish, shellfish.

## **Adult Dosage**

Take 2 capsules daily with food at least 2-3 hours before and after taking other medications (including antibiotics) or as directed by a qualified health care practitioner.

## **Cautions**

Do not use if pregnant, breastfeeding, or if you have an immune-compromised condition (e.g. AIDS, lymphoma, patients undergoing long-term corticosteroid treatment, heart disease, high or low blood pressure, kidney or liver disorder, diabetes, edema (swelling of hands, face and feet), or if you are taking products containing diuretics). Consult a health care practitioner prior to use if you have fever, vomiting, bloody diarrhea, severe abdominal pain or if symptoms persist or worsen. Stop use and seek medical attention immediately if you experience dizziness, confusion, muscle weakness or pain, abnormal heart beat, or difficulty breathing. If symptoms of digestive upset (e.g. diarrhea) occur, worsen, or persist beyond 3 days, discontinue use and consult a health care practitioner.
